The Troymill Difference

With multiple locations in Ohio, including our flagship facility in the heart of the Amish community of Middlefield, Troymill is one of the largest pallet and lumber companies in the Midwest. Specializing in wooden pallets, crates and industrial lumber, our mission is to help you ship your products safely and economically to your customers. We pride ourselves on quality, reliability and an unwavering commitment to customer service - so you can do the same.

50,000

pallets produced
per week

2.5 million

board feet of
lumber cut per
month

30+ years of family-run business

Our Middlefield location sits on over 50 acres of land, which allows for expansive inventories of raw materials and finished goods. We have the facilities and capacity for heat treatment, dry storage, and short lead times.

What We Offer

Bulk Wholesale and Custom Pallets
